

**Job Title:** Licensed Mental Health Provider- Child and Adolescent Focus  
**Position Type:** W-2 Employee

Cascades Wellness Center, PLLC is a thriving mental health practice in Seattle, WA, located close to Gas Works Park in Wallingford.

We emphasize a strengths based, ecological approach to psychological health and wellness, focused on growth, restoration, authenticity and goal achievement. Our foundational commitment is working from an evidence-based perspective, tailoring services to each client's unique context. Central to our mission is providing culturally responsive services to our clients and community. Our work involves a balance of psychological evaluation and assessment and counseling at the individual, couple, family and group levels across the lifespan. We also offer supervision, consultation, and training to other mental health professionals.

Cascades Wellness Center offers a lively collaborative and professional environment, with fully furnished offices, testing materials, referrals, marketing, full billing and credentialing services, and other office support. Our organization's culture is focused on conducive to a healthy work-life balance and meaningful collegial relationships

#### General Responsibilities
